DEMO HR POLICY: Hybrid Work and Attendance

DEMO ONLY: This is a sample document for testing HR Assist. It is not an official company policy.

Work from home

- For demo testing only, employees may request work from home with manager approval, subject to role requirements and team coverage.
- Employees should remain reachable during agreed working hours and attend required meetings.

Attendance

- Follow the team's agreed work schedule and record attendance using the approved company system.
- If late or absent, inform the manager as soon as possible.

Equipment and security

- Use company devices in line with IT and information-security rules. Do not share sensitive information through unapproved services.

Important

- Confirm the real hybrid-work and attendance rules with HR.
