DEMO HR POLICY: Expenses and Reimbursement

DEMO ONLY: This is a sample document for testing HR Assist. It is not an official company policy.

Submitting an expense

- For demo testing only, submit claims through the approved company expense process.
- Attach readable receipts and provide business purpose, date, amount, and expense category.

Approval

- A manager or authorized approver should review the claim before payment. Finance may return incomplete claims for correction.

Payment timing

- Actual timing depends on the company's finance process. Contact Finance or HR for the current status.

Important

- This sample does not establish real reimbursement limits or deadlines. Replace it with approved company policy.
